This year we will only be selling in the 100, 200 and in some suites. There is no 500 level which should allow you to sell more tickets.

We have a table on the 100 level at section 116 that you can have a sign. **This will be ground central.**

There is an area on the 200 level that is in the Club VIP section that you can have a team Leader and an assistant. They can act as a place to drop off money and pick up tickets to keep selling.

The runners should go between the 2 station picking up money and taking to back to the suite.

level. The Club VIP is to the left of the elevators.

All other sellers report to section 116.

Suite Sales: Kevin Power will advise where to go and when. Seller should hit them at the end of the 1 quarter.

It is ok to sell in the stand just do not interfere with the view of the game.

All bibs must be returned at the end of halftime to the main table on the 100 level at section 116. Please help with the bib returns so that the money can be counted and the ticket can be drawn before the end of the 3 Quarter. When they return the bibs they get a ticket to watch the game. Faster you sell out the soon you get to watch the game.
